

event_priority_init

```
graph LR; A[event_priority_init] --> B[event_base_priority_init]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'event_priority_init'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'event_base_priority_init'.
